

R. J. Alexoudis (aka R. J. Alex) - Candidate for WRAR Vice-President – Board of Directors

Greetings fellow WRAR members!

Moving to Wilmington in 1996, I have enjoyed serving the people of our community in many capacities through various ministries and charities (homeless, the hungry, youth, seniors, etc.). I enthusiastically participate in most WRAR sponsored events, seminars, and educational opportunities and have found my involvement to be very fulfilling and satisfying. Activities and organizations of which I am a participant or member include Easter Seals, Church, Sales Marketing Council, Wilmington Home Builder Association, and Member Services Committee.

My philosophy has always been "it is better to give than to receive"... and believe the more you give, the greater satisfaction you receive. I welcome the opportunity to give more to WRAR by taking on the VP leadership role. Having led communities of faith (ranging from 200 to 1500 families) for more than 25 years, I can also use these same God-given talents to serve in this leadership role. During the last three years, I have also served on the WRAR Board of Directors. I especially enjoy working with the people of our Real Estate industry and would like to on this new level.

One of my key goals will be to try to get our membership more involved in the Association. I will work to find avenues and means to get our membership more involved in community and civic affairs and even charitable causes. I would like to continue building on a good thing. I am so thankful for the hard work and accomplishments of our previous boards and officers, who have set a firm, healthy foundation for our current board to continue on which to build and advance.

I respectfully and humbly ask for your support by casting your vote for R J Alex for VP 2011 and thank you in advance! I commit that I will work diligently to be your advocate in our Association and confront the many challenging issues facing us today and in the future. I'll wake up every day and try my best to accomplish the goals and objectives of our membership.
